- All Performances are mandatory and will reflect on their grade. Please make every effort to attend as we are a small band and everyone counts! If your child will miss a performance, please let us know as early as possible as this may change programming.
- **Along with the proper shirt, long school pants, and covered shoes are required for every performance.**

We impress upon the students that they are not merely involved in a class or a performing group. We are a mission team which works hard, plays our best, and has fun in representing and sharing Christ with others...*and all will see how great, how great is our God!*
